Restaurant POS Software

Restaurants, Cafe, Bars, Fast Food Point Of Sale Systems

Aloha Point of Sale

Powerful and easy-to-use

- Graphical user interface: Table plan on POS screen, configurable menus, lead-through order entry and automatic modifiers
- Simple item and guest check splitting
- On-screen typewriter keyboard for special order instructions
- Multiple log-in options including magnetic swipe card, PIN and fingerprint biometrics

Best Software Redundancy

- Advanced integrated software redundancy—no data loss and no POS system downtime
- Return to normal operation is fast, easy and requires minimal management intervention
- Open checks / tabs and current days sales are mirrored across all terminals

Additional Features

- Extensive kitchen / bar chit printing and routing options
- Comprehensive menu management capabilities with scheduling
- Support for any type of service setup: order first / pay last and order and pay at the same time
- Automated promotions and surcharges scheduled by day or week with on-screen messages to employees. eg. Automatic Sunday Surcharge
- POS informs staff of item availability with countdown
- “Special” Pizza functionality. eg. pricing, half/half, special order, crust
- Employee Time and Attendance with enforced punctuality. Ie Bundy Clock
- Employee Scheduler / Roster. Integrate with Time and Attendance feature
- Hold items / order with timed automatic send to kitchen / bar
- Quick and easy table / bar tab transfer and combine
- Extensive sales reporting by any given date range with menu for that day
